

FETE RAFFLE

Pennant Hills Public School P&C

27 April 2020

Dear Pennant Hills Public School Community,

Due to the current virus situation and the necessary limits placed on large outdoor gatherings, we have had to cancel our annual fete planned for 24th May. As disappointing as this decision has been, we are pleased to continue with the annual school raffle, a fundraising effort that has been in place for many years. We have already commenced selling raffle tickets through our school students and by reaching out to our own family and friends to encourage as many people to support our school through a simple raffle ticket purchase.

We have some fantastic prizes supported by local sponsors, including a \$1000 Apple voucher and a \$700 Westfield voucher donated by W Group Pennant Hills, a \$330 RipRock Kids Bike donated by Cycle Sport Thornleigh as well as a P&C sponsored FitBit Versa Fitness Watch.

We'd appreciate your support by purchasing a raffle ticket online at www.rafflelink.com.au/phpspandcfete to help us continue to reach our fundraising goals for 2020 at PHPS. The funds raised will support our children with resources that will enrich their education and school experience. In the past year the P&C fete has generated funds that went towards books, learning support educators, play equipment, gardens and grounds updates, interactive whiteboards, fans in the school hall and AV equipment to name a few.

Thanks for your support and we wish you good luck in the draw!

Kind Regards

Andrew Passé-de Silva
President, PHPS P&C
